#### Message From The Principal

You are making the right choice. This is the point where you change your life. Let us help you!

#### Magic Info About This Course

Office Administration is considered as one of the scarce skills in South Africa and that means that there will always be jobs out there waiting for you. Office administration jobs are always in high demand. This means that employers are always looking for people with these skills.

#### Your Lecturer

Hi there my name is **Brilliant Maisiri** and I am your lecturer for **ICB Financial Accounting**, I would like to tell you a little bit about myself so that you can get to know me. I am young, funny and a hard worker. My strength is in figures and I am extremely passionate about analysing government policies and how they impact the economy. Because of these characteristics, I have developed a love for accounting, economics and taxation.

#### Who Is Skills Academy?

Everybody has the Right to Study. Once you have started your studies; we make sure that you finish it successfully.

**The right advice before you start** - chat to a friendly Course Expert, who will make sure you register on the right course for you.

**We love helping students** - your tutors and lecturers are full-time employees at Skills Academy. With lots of experience and expertise in helping adult students.

**Online study groups** for daily help with your studies, contact with other students and one-on-one sessions with your lecturers so that you can...
