Message From The Principal

You are making the right choice. This is the point where you change your life. Let us help you!

Magic Info About This Course

Office Administration is considered as one of the scarce skills in South Africa and that means that there will always be jobs out there waiting for you. Office administration jobs are always in high demand. This means that employers are always looking for people with these skills.

Your Lecturer

Hi there my name is **Brilliant Maisiri** and I am your lecturer for **ICB Financial Accounting**, I would like to tell you a little bit about myself so that you can get to know me. I am young, funny and a hard worker. My strength is in figures and I am extremely passionate about analysing government policies and how they impact the economy. Because of these characteristics, I have developed a love for accounting, economics and taxation.
